Members are requested to watch the proceedings of the said SGBM before attending the AGM 29th Oct 2023, so that an appropriate decision can be arrived at.
 - (b) <u>Item 2.</u> <u>Audit-Reports.</u> Since last AGM of the Society was held on 17th Mar 2013 and thereafter no AGM has ever been held. This AGM is the first AGM being held after a long period of 12 years. Hence, it is obvious that audit reports in respect of accounts of our Society have been pending for approval in the house. The audit reports of Society accounts w.e.f. financial year ending

31st March 2012 to financial year ending 31st March 2023, are presented to the members in the form of e-copy which is uploaded in Google drive for members to access. In case any member is unable to retrieve the e-copy or unable to use computer, may collect it from the Society office within 07 days of this notice with prior information.

Due to the unusual circumstances which were faced by the current MC which includes the "extension project" which got into controversy, non handing over of Society records including tender documents, unplanned and unapproved expenses incurred by the then Administrator Mr. Anil Kumar, there was a need to carry out a special audit of accounts of the affected period i.e., w.e.f. 1st Apr 2019 to Aug 2022. The said 'Special audit' of accounts has been done, and an e-copy of the same is being uploaded for the information of members.

It is proposed to review, consider and adopt the audited Balance sheet, profit and loss Account of the audit reports and the special audit report as under :-

- (c) <u>Item. 3. Maintenance of Essential Services Fund, Building Replacement Fund, and Building Maintenance Fund.</u> The following needs to be discussed and approved:
 - i. Maintenance of Essential Services Fund. Revision of charges under this head is need of the hour and to be discussed. Income & expenditure summary for the period 2019-20 to 2022-23 and from 1st April 2023 to 30thSep 2023 is attached as ready reference. The present collection under this head is not enough to meet routine expenditure. Also, to keep the expenditure low in order to ensure that it does not exceed the income; the Management is forced to compromise on the quality of services. Hence to run the Society efficiently there is a need to hire better service providers / personnel, for which we need to pay more. Inflation has gone up manifolds in last 05 years when the maintenance charges were revised in 2019. Hence members are requested to come prepared with suggestions for revision under this head.

ii. Building Replacement Fund.

- a. Demand notice for the year 2020-21 and 2021-22 (Two previous years) to be discussed. Demand notice for the years 2022-2023 and 2023-24 has already been sent to members on 17th Jul 2023.
- b. Revision of rate of Building Replacement charges from Rs.10.00
 PSF to Rs. 12.00 PSF.
- (iii) <u>Building Maintenance Fund.</u> As per provision of DCS Act & Rules this fund required to be collected in all housing/residential Society, but the same has never been introduced in our Society. (Refer DCS Act 2003, section 81 (i), (2) & (3) and DCS Rules 2007, Sec 94(1) (a). This fund is <u>exclusively meant</u> for routine repair and maintenance of Buildings, there is a need to introduce this fund in our Society.

- <u>Item-4.</u> Budget. Proposed budget for the year 2024-25 is enclosed for members for their suggestion & discussion in the AGM.
 - (e) <u>Items-5: Court Cases</u>. There are presently nine (11) court / legal cases which the Society is dealing with:-
